

SITE SELECTOR / TAX CREDITS & ECONOMIC INCENTIVES CONSULTANT

Atlas Insight, a nationally recognized Site Selection/Credits & Incentives consulting firm based in New Jersey, is currently seeking an experienced Consultant, with direct incentives practitioner experience, to join our team.

RESPONSIBILITIES

- Conduct research and analyze strategic business plans to help identify incentive opportunities
- Assist in the development of strategic incentive recommendations for clients
- Help to organize and summarize findings in polished client deliverable formats
- Collaborate with Atlas team members on the administration of government incentives
- Support special projects related to the ongoing performance of the business

WORK ENVIRONMENT

We offer a remote work environment, meeting regularly via TEAMS. We also offer the opportunity to work together in person in Central NJ as schedules/trips allow. This position will require some project travel.

JOB REQUIREMENTS

- Ideally will have a minimum of **3-10 years in direct experience** working in the industry
- Track record of successfully negotiating deals or direct support in negotiating deals
- Experience in 3 or more states preferred
- Manage work in an independent virtual work environment
- Strong analytic and problem-solving skills, with Excel proficiency
- Excellent communication and interpersonal abilities
- Ability to work collaboratively in a team setting

This is a **full-time position**, with **benefits** and a **flexible vacation policy**.

If interested, please reach out directly to bcorde@atlasinsight.com or kmussio@atlasinsight.com.

The professionals at Atlas Insight are industry leaders in the fields of corporate site selection and incentive procurement. We help to choose locations for all types of business facilities that meet the long-term needs of those operations as well as overall corporate goals. Atlas Insight assists companies from all industry sectors and geographies to negotiate and secure tax credits and incentives for business investment and job creation/retention. Our team has extensive experience in all corporate sectors and has consulted on many sensitive projects for some of the world's largest corporations.
