

Are you eager to explore a career in **BUSINESS CONSULTING?**

Atlas Insight, a nationally recognized Site Selection/Credits & Incentives consulting firm, has a position available for a candidate with up to 2 years' general business experience to join our team. This is a career path opportunity in the fields of Business Strategy Consulting, Corporate Site Selection, Corporate Tax Credits and Economic Development Incentives.

This is an opportunity to work with a close-knit team in a fantastic virtual work environment. Learn more about Atlas Insight here: <https://www.atlasinsight.com/>

RESPONSIBILITIES

This is a dynamic, multi-disciplinary position supporting all aspects of our business.

- Conduct research and analyze strategic business plans to help identify incentive opportunities
- Assist in the development of strategic incentive recommendations for clients
- Help to organize and summarize findings in polished client deliverable formats
- Collaborate with Atlas team members on the administration of government incentives
- Support special projects related to the ongoing performance of the business

TRAINING

In this role, you will receive additional training to develop the skills and knowledge necessary for success in the incentive consulting industry. Our training covers various aspects including industry subject matter, research methods, data-set analysis, client communication, deliverable preparation, project management and business consulting skills.

WORK ENVIRONMENT

We offer a remote work environment, meeting regularly via Microsoft Teams. We also offer the opportunity to work together in person in Central NJ as schedules/trips allow. While this position does not require travel, there will be opportunities for travel to client meetings, site tours, and market visits.

JOB REQUIREMENTS

- Eagerness to learn and adapt to a fast-paced consulting environment
- Ability to work collaboratively in a team setting
- Ability to multi-task
- Have a positive attitude
- Be detail-oriented
- Strong analytic and problem-solving skills, with Excel proficiency
- Excellent communication and interpersonal abilities
- Manage work in an independent virtual work environment

QUALIFICATIONS

Prior industry experience working with incentives or tax credits is a plus, but not required.

Bachelor's degree from an accredited college or university is required. Preference will be given to candidates who achieved a 3.2 GPA in either their overall studies or their major. Applicants must be authorized to work in the U.S. We are unable to sponsor or take over sponsorship of an employment Visa.

Salary range is \$55,000 to \$75,000, commensurate upon candidate qualifications. This is a **full-time position** with **benefits** and a **flexible vacation policy**. Apply with **Cover Letter and Resume** at joinourteam@atlasinsight.com.
